Tsik Nonwéhson Nitkontewenní:ne's Mohawk MultiMedia (MMM)

MISSION STATEMENT

To promote our Mohawk identity, including language, art, history, values and traditions and to share these elements with both our community and neighbouring communities, through original multimedia content.

Mohawk MultiMedia is a multimedia organization that strives to:

- Be a reliable community based organization that is responsible and accountable to the seven generations;
- Provide programming that is credible, inclusive, entertaining and accessible to the wider community;
- Be a sustainable organization through evolution and innovation while keeping its integrity;
- Promote, support and protect the status and interests of the Mohawk community and the general wellbeing and welfare of the members thereof;
- Promote exchange and share cultural programming with other Indigenous communities.
